Ever wished you could be transformed into a bird and fly freely in the wild? Ashim Shakya's latest game, Flight APK, will make your dreams come true. Flight APK, will make your dreams come true. Flight APK, will make your dreams come true. will be able to transform into a crow and fly freely in the wild without fear and you don't need to worry about predators, hunters or natural enemies. You can fly freely and explore the vast open spaces with breathtaking natural views. Fly through the jungle, cross the trees and reach the highest peaks. A wild bird can't be stopped by anything. Flight APK - Gameplay Screenshot Beyond the ability to transform into a bird, you also have the option of exploring the forest beneath the ground. By touching the "Transform" button on the screen, you can instantly transform into a monk, a nature lover and want to explore. waterfalls. The latest version of Flight APK allows you to explore, fly, and see the world. There are no quests, modes or requirements. You also cannot die falling from above, so there isn't any pressure on you. The game doesn't have any interaction, so you can just move and admire the scenery. I don't know whether the publisher wants players explore the game freely or has not updated the features. The Wolf and Goat Simulator will allow you to feel like a wolf and goat. Control The controls for the monk, crow and hawk will be slightly different. First APK, the controls for the monk will be similar to mobile's usual role-playing game. You will find a virtual joystick on the left that allows you to move the character. The switch, fast run and jump are all located to the left. To rotate your viewing angle touch the right side of screen. You can control a crow by pointing your finger at the screen. You can control a crow by pointing your finger at the screen. true to Flight. The majestic landscape gives you the sensation of being in the film The Lion King (Live Action version), but allows you to experience nature in your own way. Motion is smooth and has no lag. The realism in Flight's image is also shown when you move through the waterfall, you can clearly see the steam emanating from the ravines. Also, the lighting, effects, and perspective are all meticulously designed. As you fly forward, the mountains slowly emerge from the clouds. Besides, you cannot ignore Flight's impressive weather effects. It is also quite honest to see the day and night cycles. You can watch the sunrise over a mountain, it's a great experience you should try. Weather, effects and customization The settings allow you to adjust the graphics quality, day/night cycle, landscape, color, and other options. You can also add weather effects such as clouds, thunder, and rain. You will need a high-end smartphone to enjoy the game its peaceful and fun to explore. Only thing bothering me is the dirt, improve the dirt texture it will make a big difference!:) Corey Sylva: Honestly it seems like it would be really awesome if my device could run it smoothly but the frame rate is poor on my device even on the lowest graphical settings. Norman Fernando: I don't regret buying this game, it is really well made, the small details like grass moves when you step really amaze me. I hope in the future it will get new updates . To the creator: I think you are really great, I hope you make more games with story in the near future julie Egaran: May graphics is so bad but I like this game plssss update thisses I'm explore this place is so cool but plssss update thissss to become a dinosaur and whale and shark... Will Pisoni: I love this game! I have been looking for a good, relaxing flying game for a long time. I am glad I found this one. The music and scenery are very peaceful! You can download Flight : The Valley app free and can install in your device by going to google play store. Google play suggests that you should not download android apps directly from third-party sources, as they may harm your phone. You can download Flight : The Valley Official App by click the link below from Google Play Store. If you have any issues or problems in download flight : The Valley Official App by click the link below from our community may help you to fix it quickly. APK stands as an abbreviation for Android Package Kit. Android operating system uses its own type of installation format, as like windows softwares have extension. When you download it from play store. At times you may want to download APK files from other sources directly. You can download the one you may need. Download the one you may need to wait for the verifcation process etc. You will have a APK file in your memory card / system memory once you download.
